synopsis:

Who can read this Psalm and not believe that God is deeply in love with each of us? God the creator of the heavens and the earth, took the time to delicately create each of us. He goes much further by knowing us before we were conceived and knowing our every thought, even before we think them. He walks with us whether we are in the lowest valley or on the highest mountain. We can't escape Him. He's always there. His very thoughts of us outnumber the grains of sand. His thoughts of us are precious. It is a miraculous love that goes beyond comprehension.

This video combines the beauty of the incredible words of Psalm 139 with the graphic beauty of many of God's creations.
